

Urban Food Growing and Sustainable Living

Grow organic food at home or in your community

In 2016 Petersham TAFE Outreach is delivering this course on Fridays
9:30am to 1:30pm at a community location from 19 February to 20 May.

Students enrol in the Course in Vocational and Community Engagement (10093NAT) - Sydney TAFE 90003

*Learn about gardening, green composting, water conservation and bush
regeneration*

Develop skills in herb, vegetable growing and permaculture

*Use great local spaces to grow fruit and vegetables and learn about
companion planting*

*Find out about certificate courses in permaculture, horticulture, bush
regeneration and landscaping*

*Learn about environmental sustainability and volunteering and job
opportunities*

You don't need to book a place, just come to the Information Session.

Please bring your USI – see accompanying information.

*Fees: exemptions for people with a disability and \$80 for Centrelink benefit
recipients. \$97 for people who are not in receipt of a benefit
Sydney TAFE Equity and Fee Free Scholarships available*
